“TEDDY ROOSEVELT” to Present Youth Medal Awards at Navy League Dinner

The April dinner meeting of the Greater Chattanooga Navy League Council will feature Joe Wiegand, who entertains audiences nationwide with his impersonation of President Theodore Roosevelt. As Teddy Roosevelt, Joe will share stories full of adventure, laughter, and inspiration as he recounts his life as a rancher, Rough-Rider, naturalist, and father of six in the White

House. He will also share the amazing tale of his youth as a frail boy who built his body and dedicated himself to the Strenuous Life and the Square Deal. From bear hunts to the Panama Canal, from Africa to the Amazon, T.R.'s delightful stories come to life. As President of the U.S. and former Assistant Secretary of the Navy, T.R. encouraged the development of the Navy League in 1902. At the conclusion of his address, T.R. will help present the Theodore Roosevelt Awards to our Sea Cadets, League Cadets, and NJROTC Cadet of the year. Don't miss out on this opportunity to walk through history and honor our local youth. The dinner meeting will be held in the Roosevelt Room of the Chattanooga Choo-Choo, 1400 Market Street, Chattanooga, TN on April 9, 2015 from 5:30 PM to 9:00 PM. The deadline for advance reservations is April 8. The cost is \$30 per person for Navy League members and \$40 per person for non-members. Sponsor a flag on the Veterans Bridge

Chattanooga's Veterans Bridge will continue to be lined with American flags for many years to come thanks to the area's patriotic citizens.

Photo Courtesy of WRCB-TV.com

For 10 years an anonymous donor provided some \$40,000 to provide 30 new flags annually in May which adorned the bridge's 30 light poles all summer and through November. When those gifts ceased in 2013, the Chattanooga Department of Transportation (CDOT) established a new program to generate replacement flag funds.

The Veterans Bridge Flag Initiative allows any group or individual to honor a service man or woman by donating the cost of a flag. Each flag is \$75 and will fly on a numbered pole on the bridge for about six months of the year.

When the flags are raised, honorees will receive a proclamation from the mayor of Chattanooga recognizing their service to the country and proclaiming the pole number from which their flag flies. The flags will be offered to the donors at the end of each season.

Original plans were to fly 30 flags each year between May and November. However, response to the program has been so tremendous that American flags will now be flown on the bridge year-round, according to Caroline Johnson, CDOT Special Projects Coordinator, who oversees the initiative.

Since flags must be replaced every six months, 60 veterans may be honored each year. Still, the community has rallied to the point there are more than 100 honorees on the waiting list.

While new applications are welcome, Ms. Johnson said, it will be several months before their flags will be flown.

If you would like to buy a flag, please provide the following information to Ms. Johnson, preferably by email at "johnson_c@chattanooga.gov":

1. Name and rank of veteran (as it will appear on the proclamation)
2. Military Branch (or branches) of service and inclusive dates of service
3. Significant service (such as war periods, duty stations, specific battles/engagements, etc.)
4. Miscellaneous military-related items (such as a nickname, awards, achievements, etc.)

Please call Ms. Johnson at 423-643-5963 for specific details on how to submit the accompanying \$75 donation.

VA Eliminates Net Worth as Health Care Eligibility Factor

Elimination of Net Worth Makes More Veterans Eligible for Health Care

Washington – The Department of Veterans Affairs is updating the way it determines eligibility for VA health care, a change that will result in more Veterans having access to the health care benefits they've earned and deserve.

Effective 2015, VA eliminated the use of net worth as a determining factor for both health care programs and copayment responsibilities. This change makes VA health care benefits more accessible to lower-income Veterans and brings VA policies in line with Secretary Robert A. McDonald's MyVA initiative which reorients VA around Veterans' needs.

"Everything that we do and every decision we make has to be focused on the Veterans we serve," said VA Secretary Robert A. McDonald. "We are working every day to earn their trust. Changing the way we determine eligibility to make the process easier for Veterans is part of our promise to our Veterans."

Instead of combining the sum of Veterans' income with their assets to determine eligibility for medical care and copayment obligations, VA will now only consider a Veteran's gross household income and deductible expenses from the previous year. Elimination of the consideration of net worth for VA health care enrollment means that certain lower-income, non-service-connected Veterans will have less out-of-pocket costs. Over a 5-year period, it is estimated that 190,000 Veterans will become eligible for reduced costs of their health care services.

In March 2014, VA eliminated the annual requirement for updated financial information. VA now uses information from the Internal Revenue Service and Social Security Administration to automatically match individual Veterans' income information which reduces the burden on Veterans to keep their healthcare eligibility up to date. That change better aligned VA's health care financial assessment program with other federal health care organizations.

Veterans may submit updated income information at www.1010ez.med.va.gov/ or by visiting their nearby VA health care facility. For more information, visit www.va.gov/healthbenefits or call VA toll-free at 1-877-222-VETS (8387).
